

# The Ontario Government's plan for student fees is not **"for the students"**.

They **DID NOT** consult with any representative students' organizations before drafting this drastic and cynical plan.

# ARE YOU INVOLVED IN YOUR CAMPUS:

- > **Students' union?**
- > **Faculty or program association?**
- > **Student clubs?**
- > **Student services?**

Under the Ontario Government's proposed plan, **all student groups and organizations will be at risk.**

## THE NEW OSAP MEANS:

- **Low income students will be required to take on more loans**
- **No 6-month interest-free grace period once you graduate**
- **If you have been out of high school for less than six years, you will have less access to grants**
- **Your family income will impact how much financial assistance you can receive**
